In the Claims:

1. (Currently Amended) A promotional apparatus, comprising:
a transparent, flexible intravenous fluid bag comprising promotional indicia,
and an aperture adjacent an end thereof; and
a clock mounted on the flexible intravenous fluid bag; and
a stand, wherein the intravenous fluid bag is suspended from the stand via the
aperture.
2. The promotional apparatus according to Claim 1 wherein the clock
comprises a digital display.
3. (Cancelled)
4. (Cancelled)
5. (Cancelled)
6. (Cancelled)
7. A promotional apparatus, comprising:
two transparent, flexible polymeric sheet panels disposed substantially parallel
to each other and joined along respective peripheral edges thereof to form a shape that
resembles an intravenous fluid bag, wherein an aperture is formed through the panels; and
a clock mounted on one of the flexible polymeric sheet panels; and
a stand, wherein the panels are suspended from the stand via the aperture.
8. The promotional apparatus according to Claim 7 wherein the clock
comprises a digital display.
9. (Cancelled)
